

MountainBrook Village Pool Policy

Guests using the MBV pools must be accompanied by the homeowner. If they are unaccompanied, they must have in their possession a guest pass issued by the Activity Office. Homeowners are responsible for picking up the passes for their guests as well as insuring that their guests understand and comply with the pool rules and regulations.

These policies are developed by the Board of Directors primarily for the quiet use and enjoyment of the homeowners.

If you have any questions or comments, you may contact the Community Manager at 480-983-5555.
